The ULTRAWASH range is a new concept of fabrics specially designed to obtain best results and performances after the strictest industrial washings.

La gama ULTRAWASH es un nuevo concepto de tejidos especialmente diseñados para obtener los mejores resultados y rendimientos después de los más estrictos lavados industriales.

There may be minor variations in shades in the other articles of the range due to different weights and compositions.

Pueden producirse pequeñas variaciones de tono en otros artículos debido a los distintos pesos y composiciones.
